

THE NIGERIAN MARITIME ADMINISTRATION AND SAFETY AGENCY (NIMASA)

26TH JUNE, 2020.

ADVISORY ON THE ARRIVAL OF VESSELS FROM COVID-19 PANDEMIC HIGH RISK COUNTRIES

The Nigerian Maritime Administration and Safety Agency has received through her Deep Blue Intelligence System (the C4i), details of vessels expected to arrive some Nigerian Ports between 23/06/2020 and 17/07/2020 from some of the countries heavily affected by the Corona Virus (COVID-19) pandemic. (See list of vessels below for details)

It will be recalled that the Agency had earlier given an advisory vide a marine notice on the operational procedures for the ingress and egress of vessels arriving from such countries. You may refer to the marine notice-MN03/20/SN01 using the link: <https://nimasa.gov.ng/covid-19-marine-notice/>

Consequent on the above, an advisory is hereby given to further alert all agencies of government and private sector operators at the ports of the expected arrival of these vessels and to demand the highest level of professionalism from all concerned officers in keeping with the earlier advisory of the Agency on handling such vessels together with other measures that are in the best interest of the maritime community and the nation at large.

Furthermore, concerned officers are requested to immediately report any situation or circumstance that may compromise best practices in handling the arrival and discharge of these vessels and others that may be advised in the future.

Below is the list of vessels and the details of their expected voyage to Nigerian ports.
